Detective DeNoux interviewed Jefferson Parish Sheriff's Office, Second District Deputy Ralph Peperone, who advised that the victim was Mrs. Betty Neff, white female, date of birth: 01-31-40, who resides at 401 Twentieth Street, Apartment # 56, Gretna, Louisiana, phone: 366-7797. Deputy Peperone advised that Mrs. Neff was at her place of business, Sweet Memories Antique Shop, at the time of the incident.

According to Deputy Peperone, Mrs. Neff was alone in her shop when an unknown black male subject entered, looked around then pulled a revolver on the victim and forced her into the rear bathroom and raped her. Deputy Peperone advised he had found no witnesses.

The Sweet Memories Antique Shop was a caramel colored concrete, one story building with a glass front door which faced west and a brown flat roof. The front of the shop faced Whitney Avenue and had numerous plate glass windows which were covered with iron bars. The building which housed the shop also housed another business on the north side of the shop which was called Neff's Restaurant and Disco and bore the municipal address of 361 Whitney Avenue. The building in question was located at the northeast corner of Whitney Avenue and Costanza Street. Adjacent to the south side of the building was a large abandoned lot which was overgrown with brush. The rear of the building faced east where another large open field was located.

Across Whitney Avenue, which had a canal dividing it into two separate streets, directly across from Sweet Memories was a defunct business with the sign "Whitney Bar" on its facade. There was no open business within a two block radius of Sweet

Neff's Restaurant next door was closed and unoccupied at the time of the incident.

Detective DeNoux and Deputy Peperone canvassed the area and searched the adjacent vacant lots to the south and to the east for leads and witnesses, to no avail.

The interior of Sweet Memories Antique Shop consisted of one large display room with a small supply room and bathroom at the rear, along the east wall. Numerous antique displays lined the west and south interior walls of the shop. There was a white formica "L" shaped counter in the northeast corner of the shop behind which the victim was sitting upon the detectives arrival. In the approximate center of the east rear wall of the shop was a door which led to a supply room/storage room to the south and a bathroom to the north. The bathroom was the scene of the rape.

The bathroom was a four foot wide and eight foot long room. Its door opened south to the storage room area, the door swinging on its hinges into the bathroom. There were numerous machines cluttering the store room outside the bathroom, vacuums and pumps.

At the time of the arrival of Detective DeNoux and Detective Sergeant Masson, Technician Larry Morin, Jefferson Parish Sheriff's Office Crime Scene Division, was processing the scene. Technician Morin took photos of the exterior and interior of the shop and secured unknown hair samples from the tile floor of the bathroom. Technician Morin also secured one white hand towel from the southeast corner of the "L" shaped counter after the victim explained she had used said towel to wipe herself after the rape. Technician Morin also dusted the door knob of the rear door for fingerprints with negative results.

ITEM NO. **1** **Detective DeNoux interviewed Mrs. B. Neff at the scene and later secured a written voluntary statement from her at the Criminal Investigations Division, Jefferson Parish Sheriff's Office, 200 Huey P. Long Avenue, Gretna, Louisiana. In Mrs. Neff's written statement which consisted of six typewritten pages, which is attached to this report and should be considered a part of this report, Mrs. Neff related the following:**

Mrs. Neff stated she received twelve full years of formal education and a high school diploma from Istrouma High School, Baton Rouge, Louisiana, in 1956. Mrs. Neff added that she is the co-owner of Sweet Memories Antique Shop with her ex-husband Jerry Neff of 2508 W. Friendship Drive, Harvey, Louisiana. She stated that Sweet Memories had been open for only about three weeks at the time of the incident.

Mrs. Neff gave her present address as 401 20th Street, Apartment # 56, Gretna, where she has lived for over a year with her seventeen year old son, Derek Neff, who attends John Ehret High School. Mrs. Neff lived previously with her ex-husband Jerry Neff at 2508 W. Friendship Drive, Harvey, since 1969. Mrs. Neff stated she is divorced from husband Jerry Neff, but maintains a business relationship with him.

Mrs. Neff stated she had been the victim of a sexual attack on the day in question, 8 November 1979, and related the following: Mrs. Neff was in her shop alone at about 11:30AM when a black male drove up from the south on an orange ten speed bicycle and parked the bicycle outside her shop. Mrs. Neff stated the black male entered and looked around. Mrs. Neff stated she walked over to where the black male stood, about ten feet from the front door. The black male mentioned he was looking for a coffee table. Mrs. Neff stated there was one "outside" and

attempted to walk out when the black male grabbed her from behind, put his hand ov er
her mouth and put a gun to her head.

Mrs. Neff described the gun as a small caliber silver revolver, but stated it
was not a "snub nose". Mrs. Neff stated the black male told her "Don't fight me",
but Mrs. Neff pulled free only to have the black male grab her again and carry her
to the rear bathroom. Mrs. Neff stated that the black male told her to "Pull your
clothes off" and forced her to the floor, face down, pressing the gun to her head
and raped her. After a few minutes the phone in the shop began to ring and the
black male stood Mrs. Neff up, put his arm around her neck with the gun still
pressed against her head and walked her out into the shop to answer the phone.
Mrs. Neff stated she talked briefly to a girl named Mary (last name unknown) who
"cleans up at Neff's Restaurant" about deliveries at Neff's that day. Mrs. Neff
stated the conversation was brief and she did not hint anything to Mary.

Mrs. Neff stated that the black male asked about money then and was told she
had none. The black male then took Mrs. Neff back into the bathroom where he raped
her again, again forcing her face down. Mrs. Neff added that the perpetrator then
told her to take off all her clothes which he took with him as he exited the
bathroom door. The perpetrator moved some of the "cleaning equipment" against the
bathroom door and threw Mrs. Neff's clothes in the store room before he departed.

Mrs. Neff stated she waited a few minutes then simply pulled the bathroom
door open, said door opened into the bathroom so the machinery moved in front of it
by the perpetrator did not block the door. Mrs. Neff said she then climbed over the
machinery and dressed herself before calling the police.

At about 6:30PM, same date, Detective Marco Muzzolillo, Jefferson Parish Sheriff's Office Offense Against Persons Section, assisted Detective DeNoux in constructing a composite drawing and description of the perpetrator which was later distributed by Detective DeNoux to each division of the Sheriff's Office.

At about 6:45PM, same date, Mrs. Neff scanned the mug shots in the mug files at the Criminal Investigations Division with negative results.

On 9 November 1979, at about 8:55AM, Detective DeNoux while at the Criminal Investigations Division spoke telephonically to Sergeant Lynn Sherman of the Jefferson Parish Sheriff's Office Communication Division, who informed Detective DeNoux that a "suspect" had been returned to the scene of the crime at 363 Whitney Avenue just after the incident, prior to the arrival of Detective DeNoux and Sergeant Masson. Sergeant Sherman added that he, along with Sergeant Jerry Hall and Deputy David Dussel of the Jefferson Parish Sheriff's Office, had returned a black male to the scene of the crime for Mrs. Betty Neff to identify. Sergeant Sherman stated that the black male returned to the scene by police, matched the perpetrator's description in detail. Sergeant Sherman stated the man returned by the police to the scene was wearing a black windbreaker, blue jeans and was riding an orange ten speed bicycle at the intersection of Whitney Avenue and Stumpf Boulevard in Gretna.

Mrs. Betty Neff looked carefully through the line-up and informed Detective

DeNoux she was certain the perpetrator was not among the photos in the line-up. Detective DeNoux further interviewed Mrs. Neff, questioning Mrs. Neff about the man police had returned to the scene on 8 November 1979, just after the rape was reported to the police. Mrs. Neff stated she remembered the police bringing a man into her shop and she was "absolutely sure" that he was not the perpetrator.

Mrs. Neff added she believes she can identify the perpetrator if she ever saw him again.

Detective DeNoux respectfully requests this case be suspended.....
