ITEM NO.	Detective DeNoux interviewed Jefferson Parish Sheriff's Office, Second District Deputy Ralph Peperone, who advised that the victim was Mrs. Betty Neff, white female, date of birth: 01-31-40, who resides at 401 Twentieth Street, Apartment # 56, Gretna, Louisiana, phone: 366-7797. Deputy Peperone advised that Mrs. Neff was at her place of business, Sweet Memories Antique Shop, at the time of the incident.
-------------	--

SHERIFF'S OFFICE	
According to Deputy Peperone, Mrs. Neff was alone in her shop when an unknown black male subject entered, looked around then pulled a revolver on the victim and forced her into the rear bathroom and raped her. Deputy Peperone advised he had found no witnesses.	

The Sweet Memories Antique Shop was a caramel colored concrete, one story building with a glass front door which faced west and a brown flat roof. The front of the shop faced Whitney Avenue and had numerous plate glass windows which were covered with iron bars. The building which housed the shop also housed another business on the north side of the shop which was called Neff's Restaurant and Disco and bore the municipal address of 361 Whitney Avenue. The building in question was located at the northeast corner of Whitney Avenue and Costanza Street. Adjacent to the south side of the building was a large abandoned lot which was overgrown with brush. The rear of the building faced east where another large open field was located.

Across Whitney Avenue, which had a canal dividing it into two separate streets, directly across from Sweet Memories was a defunct business with the sign "Whitney Bar" on its facade. There was no open business within a two block radius of Sweet

ITEM NO. Neff's Restaurant next door was closed and unoccupied at the time of the incident.

Detective DeNoux and Deputy Peperone canvassed the area and searched the adjacent vacant lots to the south and to the east for leads and witnesses, to no avail.

The interior of Sweet Memories Antique Shop consisted of one large display room with a small supply room and bathroom at the rear, along the east wall. Numerous antique displays lined the west and south interior walls of the shop. There was a white formica "L" shaped counter in the northeast corner of the shop behind which the victim was sitting upon the detectives' arrival. In the approximate center of the east rear wall of the shop was a door which led to a supply room/storage room to the south and a bathroom to the north. The bathroom was the scene of the rape.

The bathroom was a four foot wide and eight foot long room. Its door opened south to the storage room area, the door swinging on its hinges into the bathroom. There were numerous machines cluttering the store room outside the bathroom, vacuums and pumps.

At the time of the arrival of Detective DeNoux and Detective Sergeant Masson, Technician Larry Morin, Jefferson Parish Sheriff's Office Crime Scene Division, was processing the scene. Technician Morin took photos of the exterior and interior of the shop and secured unknown hair samples from the tile floor of the bathroom. Technician Morin also secured one white hand towel from the southeast corner of the "L" shaped counter after the victim explained she had used said towel to wipe herself after the rape. Technician Morin also dusted the door knob of the rear door for fingerprints with negative results.

ITEM #1  
Detective DeNoux interviewed Mrs. B. Neff at the scene and later secured a written voluntary statement from her at the Criminal Investigations Division, Jefferson Parish Sheriff's Office, 200 Huey P. Long Avenue, Gretna, Louisiana. In Mrs. Neff's written statement which consisted of six typewritten pages, which is attached to this report and should be considered a part of this report, Mrs. Neff related the following:

Mrs. Neff stated she received twelve full years of formal education and a high school diploma from Istrouma High School, Baton Rouge, Louisiana, in 1956. Mrs. Neff added that she is the co-owner of Sweet Memories Antique Shop with her ex-husband Jerry Neff of 2508 W. Friendship Drive, Harvey, Louisiana. She stated that Sweet Memories had been open for only about three weeks at the time of the incident.

Mrs. Neff gave her present address as 401 20th Street, Apartment # 56, Gretna, where she has lived for over a year with her seventeen year old son, Derek Neff, who attends John Ehret High School. Mrs. Neff lived previously with her ex-husband Jerry Neff at 2508 W. Friendship Drive, Harvey, since 1969. Mrs. Neff stated she is divorced from husband Jerry Neff, but maintains a business relationship with him.

Mrs. Neff stated she had been the victim of a sexual attack on the day in question, 8 November 1979, and related the following: Mrs. Neff was in her shop alone at about 11:30AM when a black male drove up from the south on an orange ten speed bicycle and parked the bicycle outside her shop. Mrs. Neff stated the black male entered and looked around. Mrs. Neff stated she walked over to where the black male stood, about ten feet from the front door. The black male mentioned he was looking for a coffee table. Mrs. Neff stated there was one "outside" and

attempted to walk out when the black male grabbed her from behind, put his hand over her mouth and put a gun to her head.

Mrs. Neff described the gun as a small caliber silver revolver, but stated it was not a "snub nose". Mrs. Neff stated the black male told her "Don't fight me", but Mrs. Neff pulled free only to have the black male grab her again and carry her "to the rear bathroom. Mrs. Neff stated that the black male told her to "Pull your clothes off" and forced her to the floor, face down, pressing the gun to her head and raped her. After a few minutes the phone in the shop began to ring and the black male stood Mrs. Neff up, put his arm around her neck with the gun still pressed against her head and walked her out into the shop to answer the phone. Mrs. Neff stated she talked briefly to a girl named Mary (last name unknown) who "cleans up at Neff's Restaurant" about deliveries at Neff's that day. Mrs. Neff stated the conversation was brief and she did not hint anything to Mary.

Mrs. Neff stated that the black male asked about money then and was told she had none. The black male then took Mrs. Neff back into the bathroom where he raped her again, again forcing her face down. Mrs. Neff added that the perpetrator then told her to take off all her clothes which he took with him as he exited the bathroom door. The perpetrator moved some of the "cleaning equipment" against the bathroom door and threw Mrs. Neff's clothes in the store room before he departed.

Mrs. Neff stated she waited a few minutes then simply pulled the bathroom door open, said door opened into the bathroom so the machinery moved in front of it by the perpetrator did not block the door. Mrs. Neff said she then climbed over the machinery and dressed herself before calling the police.

RE: Betty NEFF (Sexual Assault Victim)

DATE OF SEXUAL ASSAULT: 8 November, 1979.

DATE OF EXAMINATION: 8 November, 1979.

The patient is a 39 year old Gravida II, Para II, white female who was brought to F. Edward Hebert Hospital by the Jefferson Parish Sheriff's Department, following a history of sexual assault which occurred at approximately 11:45 A.M. on 8 November, 1979, in the store in which the victim worked. Pertinent general history is included in the officers' reports. The patient's summary of the incident includes the following:

A black man who appeared to be in his early 20's, rode near her store on a 10-speed bicycle, looked around, walked into the store. The patient felt uncomfortable and made an attempt to leave, at which time the man grabbed the patient from behind, pointed a gun at her head and dragged her to a bathroom in the back. The patient says that she was struck with a gun because she didn't move quickly enough. The man threw her on the ground in the bathroom, hurting her forearm and her pelvic bones. She was told to then undress from the waist, after which time she was sexually assaulted. The patient was approached from the rear, and the vagina and possibly the rectum were entered. The patient was not clear on this point, nor was she clear of whether or not ejaculation took place. During the alleged assault the phone rang, the assailant stopped all activity, the patient answered the phone with the assailant holding a gun to her head. He returned her to the back and had her disrobe from the waist down a second time and completed the sexual assault. The patient was not knocked unconscious, was not shot, stabbed or punched. The patient complained of bruises and scratches on her right forearm and her pelvic bones and a swollen area on the left side of the back part of her head.

SURGICAL HISTORY:

The patient's surgical history includes a tubal sterilization performed in the 1960's and a tubal re-anastomosis in order to resume the ability to have children, in 1973. The patient also had an augmentation mammoplasty in the past without complications.

MEDICAL HISTORY:

The patient has no serious medical illnesses, however, she has been worked up with glucose tolerance test and was noted to have abnormal glucose screening by Dr. Schiro and had a CAT scan of the head because of fainting spells and dizziness. The patient complains of decreased hearing in her left ear following trauma to the head a couple of years ago. The trauma occurred in the anterior part of the head when lifting an object from under a table.

RECTAL:

Rectal examination was slightly tender but no avulsion or tearing of this area was noted.

Cultures of the cervix and rectum were obtained for gonorrhea. Motile sperm preparation of the vaginal secretions revealed no motile sperm. Multiple squamous cells, however, were noted. No ejaculate was noted on the vulvar area.

The patient was informed that she should see her private Gynecologist, Dr. Ball, who will follow up on therapy. The patient is given a prescription for Valium at her request, 5 mg. will be used q.i.d. to t.i.d. as needed for nervousness. don't know her address off hand.

Q: Have you been married before, other than the marriage with Mr. Jerry Neff that you stated was terminated by a divorce in 1975?

A: No.

Q: What is your profession?

A: I own the Sweet Memories Antique Shop, 303 Whitney in partnership with my ex-husband Jerry Neff.

Q: Have you ever had any previous employment?

A: I was a fashion and physical fitness designer for Shape Spa.

Q: Were you the victim of a sexual attack on this day?

A: Yes.

Q: Please relate the circumstances of the incident in your own words.

A: I was in the shop, alone at about 11:30 P.M., and I noticed an young black man pull up on a bicycle. And he entered the shop. As soon as he walked in I got up and I asked if there was anything special he was looking for. And he mentioned he was looking for a coffee table. And I just mentioned there was a smaller one outside because I felt uneasy with the gentleman. As I started to walk out was when he grabbed me, put a hand to my mouth and put a gun to my head. And told me to be quiet and "don't fight me." When he pulled me I started struggling with him. And broke away and almost reached the door. And he just picked up me and carried me and looked around for a place, looking while I was still struggling. He saw the back door. Then he opened it up and looked around. Then he saw a bathroom.

And we stood in the bathroom and he said, "pull your clothes off." "Pull your pants down," he said. Then he pressed the gun a little bit more against my head when I was reluctant and said, "do what I said." So I just started pulling my pants down. Then he told me to get down on the floor. All this time my back was to him. When I was on the floor I heard him take his jacket off and he undid his pants and that's when he got on top of me on the floor, my back was still to him. He kept telling me to move my body, to respond and when I didn't he hit me on the head with the gun. Then after a few minutes he said, "I

thought I heard a phone ring." So he got off me and told me to get up and go answer the phone. He had his hand around my neck with his jacket over the gun and we walked back out behind the desk to answer the phone. He just told me to watch what I said because he said, "I will use it," meaning the gun. So I answered the phone and the girl that cleans up for us next door (Neff's Restaurant), Mary (her maiden name was Levine) and I spoke to her for a couple minutes. She was asking if there was a delivery today. I told her, "You know there is on Thursday."

After the phone call he had asked me about money and I told him I had no money there. I told him he'd better go because my husband will be back in a few minutes. I told him I didn't want to get him in any trouble. He took me in the back room again, which is a second time and told me to pull my pants down again. Then he got on top of me and then he said, "You and your husband have a nice little family," in a way he was attacking that my family. I just kept telling him he'd better go. I said one of the men would be back shortly because he had asked about all the things, equipment we have piled up in the hallway. He just said, "shut up." Then he asked again about money and I told him if that was what he wanted I said I'd get some. He said, "if you don't have any here then it won't help me."

I told him we were just opening up and we didn't have any money and he said, "they why did you leave your door open?" Then he got up and said to take my clothes off. While I was taking my clothes off he was putting his on. He never took his pants completely off, he just pulled them down. While this was happening I saw something fall out of his pants pocket next to the toilet. It was a small clear plastic bag containing a white powder fall and he picked it up right away.

He took my clothes and he pointed the gun at me and said, "Don't you dare move." He pulled the door shut and then I heard him shoving things against the door only the door opened in to me. I just waited for a few seconds. I opened the door and managed to climb out and had a white towel in front of me and ran and locked the front door and ran

ITEM NO. Neff's Restaurant next door was closed and unoccupied at the time of the incident.

Detective DeNoux and Deputy Peperone canvassed the area and searched the adjacent vacant lots to the south and to the east for leads and witnesses, to no avail.

The interior of Sweet Memories Antique Shop consisted of one large display room with a small supply room and bathroom at the rear, along the east wall. Numerous antique displays lined the west and south interior walls of the shop. There was a white formica "L" shaped counter in the northeast corner of the shop behind which the victim was sitting upon the detectives' arrival. In the approximate center of the east rear wall of the shop was a door which led to a supply room/storage room to the south and a bathroom to the north. The bathroom was the scene of the rape.

The bathroom was a four foot wide and eight foot long room. Its door opened south to the storage room area, the door swinging on its hinges into the bathroom. There were numerous machines cluttering the store room outside the bathroom, vacuums and pumps.

At the time of the arrival of Detective DeNoux and Detective Sergeant Masson, Technician Larry Morin, Jefferson Parish Sheriff's Office Crime Scene Division, was processing the scene. Technician Morin took photos of the exterior and interior of the shop and secured unknown hair samples from the tile floor of the bathroom. Technician Morin also secured one white hand towel from the southeast corner of the "L" shaped counter after the victim explained she had used said towel to wipe herself after the rape. Technician Morin also dusted the door knob of the rear door for fingerprints with negative results.

attempted to walk out when the black male grabbed her from behind, put his hand over her mouth and put a gun to her head.

Mrs. Neff described the gun as a small caliber silver revolver, but stated it was not a "snub nose". Mrs. Neff stated the black male told her "Don't fight me",

but Mrs. Neff pulled free only to have the black male grab her again and carry her to the rear bathroom. Mrs. Neff stated that the black male told her to "Pull your clothes off" and forced her to the floor, face down, pressing the gun to her head and raped her. After a few minutes the phone in the shop began to ring and the black male stood Mrs. Neff up, put his arm around her neck with the gun still pressed against her head and walked her out into the shop to answer the phone.

Mrs. Neff stated she talked briefly to a girl named Mary (last name unknown) who "cleans up at Neff's Restaurant" about deliveries at Neff's that day. Mrs. Neff stated the conversation was brief and she did not hint anything to Mary.

Mrs. Neff stated that the black male asked about money then and was told she had none. The black male then took Mrs. Neff back into the bathroom where he raped her again, again forcing her face down. Mrs. Neff added that the perpetrator then told her to take off all her clothes which he took with him as he exited the bathroom door. The perpetrator moved some of the "cleaning equipment" against the bathroom door and threw Mrs. Neff's clothes in the store room before he departed.

Mrs. Neff stated she waited a few minutes then simply pulled the bathroom door open, said door opened into the bathroom so the machinery moved in front of it by the perpetrator did not block the door. Mrs. Neff said she then climbed over the machinery and dressed herself before calling the police.

ITEM NO. Mrs. Neff added that the black male, described on page one of this report, was nervous and excited and was sweating heavily. Mrs. Neff stated she did not know if the perpetrator ejaculated. She stated that each sexual attack lasted about ten minutes. Mrs. Neff stated she was in fear of her life during the attacks.

Mrs. Neff added that the perpetrator did not smell of alcohol. She stated that during the attack the perpetrator dropped something out of his pants pocket which Mrs. Neff saw, just before the perpetrator picked up the item from the bathroom floor. The item was a small cellophane bag with an unknown white powder in it which the perpetrator took with him.

On 8 November 1979, at about 1:20PM, Detective Sergeant Masson contacted F. Edward Hebert Hospital telephonically for an appointment to have Mrs. Neff examined by a physician. At about 1:45PM, same date, Detective DeNoux, Detective Sergeant Masson and Mrs. Betty Neff arrived at F. Edward Hebert Hospital, # 1 Sancturay Drive, New Orleans, Louisiana, and met Nurse Margaret Simmons who was the Director of Epidemiology. Nurse Simmons escorted Mrs. Neff to an examining room to await the doctor's examination.

At about 2:08PM, same date, Doctor John J. Raviotta arrived and examined Mrs. Neff. Doctor Raviotta advised Detective DeNoux after the examination that he found no motile sperm. Doctor Raviotta found the victim to be "markedly anxious" but not disoriented. Doctor Raviotta advised that Mrs. Neff had bruising on her chest and in the thigh areas. On the victim's head, Doctor Raviotta found a two inch raised bump on the left side of the skull where the victim informed the doctor that the perpetrator struck her with the gun. Doctor Raviotta found no
